AFFIDAVIT**STATE OF IOWA, STORY COUNTY**

I, the undersigned, being duly sworn, state that all facts contained in this Complaint and Affidavit, known by me or told to me by other reliable persons form the basis for my belief that the defendant committed this crime

State all facts and persons relied upon supporting elements of alleged crime

On 11/18/2018, around 0345HRS, a robbery occurred at 1311 Mayfield Drive. Two masked men entered Xavier Shepley's apartment. One of the men pointed a gun at Shepley and demanded that Shepley give him "everything." Shepley attempted to disarm the robber and the gun was fired. The gunshot struck Shepley in the torso resulting in his death.

The defendant (Albrea Winfrey) was identified as a female who accompanied Jordan Nicole Bryant on a date located at Shepley's apartment. This date was arranged over social media between Bryant and Shepley and took place immediately prior to and leading into the robbery.

Phone records show communication between the females in the apartment with the robbers outside of the apartment. One of the phones used by the robbers is registered to Winfrey.

Minutes before the robbers entered the apartment and killed Shepley, Winfrey exited the apartment and left the door unlocked. Winfrey waited in the get away vehicle immediately outside of Shepley's side door until the robbers ran out of the apartment into the get away vehicle. The foursome then drove to Des Moines together.

1. Shepley was killed by the robber while the robber was committing a forceable felony (robbery 1st, being armed with a dangerous weapon.)
2. Aforethought is evident based on the planning required to set up and attend the "date," communication with the robbers, and get-away coordination.
3. Winfrey aided and abetted the robbers by accompanying Bryant on the date, supplying the phone the robbers communicated with, leaving the door to Shepley's apartment unlocked, and accompanying Bryant while picking up the robbers as they fled.

Winfrey's identification was made through witnesses, cell phone records, and admissions. She was also identified as the girlfriend of one of the robbers through witness statements, admissions, and social media records.
